

HOLIDAY FUN

Dear parent,

The school shall remain closed for winter vacations. We are sure you are looking forward for the winter vacations and have some exciting plans for the same.

Keeping children busy can be quite a challenge. Hence we have planned some holiday fun for them to keep them busy as well as to improve their skills.

Holiday fun includes art and craft work to enhance their language skills.

We wish you a winter full of joyful activities, games and fun!!!

WINTER FUN!!

The winter season is a very cold and chilly season and the winds become very soft and cool. It's time to have some fun in the sun. Kids, make sure to have a Sun bath daily with your family and have hot drinks and hot meals. Our school closes for vacations. In the winter season, people put on warm clothes and woollen to save themselves from the severe cold.

We will miss you when you are away, thinking of you everyday
