

#### Dear Students,

A holiday is a time that we all eagerly wait for. Finally, the Summer Vacation has begun. Summer vacation is synonymous with fun and frolic activities playing for longer hours with friends, going for picnics, exploring new places, and watching fun-filled shows on television. But dear children, there is a lot more you can do to make your vacation more interesting, meaningful, and full of fun. It will prepare you for a better and more fruitful year ahead.

We all make plans to enjoy and to relax. This summer vacation the holidars homework is designed as a medium for you all to achieve the motto of "Fun and Learn" The activity-based assignments will foster curiosity, develop creativity, enhance knowledge, and instill the joy of learning among you all. It will certainly help you to discover a new you, who is more enriched and confident and performs every action to perfection.

#### Dear Parent,

Summer vacation brings a change and excitement for children. The vacation is also a time when you can spend more time with your child. You could use this opportunity to inculcate healthy practices such as cycling, drinking a lot of water, eating fruits and salads. These tasks are designed to engage children in a meaningful and productive manner.

While your child works, support him/her. In a manner that builds responsibility and ownership towards each task and raises his/ her confidence in his/ her own learning. Make sure that he/she brings the holidays' homework when the school reopens

Wish you an engaging and fulfilling summer time with your child.

INSTRUCTIONS
